A short distance beand the car rode Arthur Beauchemin, on hind the car rode Arthur Beauchemin, on a bicycle on the handlebar of which was his six year old sister. At a point in the road where there is a down grade, the Ford car ran over a hole causing Mrs. Duchesneau to lose control of the machine which awang to the other side of the road just as a Buick automobile came around the curve. Mrs. Duchesneau attempted to swing the car back to the troper side of the road just as the Buick turned to pass on the other side. The Ford's right front wheel struck the back wheel of the Buick with such force that it disched the car which was badly damaged. The Ford was also damaged to some extent. When Beauchemin saw the danger he threw his little sister from the handle bars of the bicycle onto a pile of sand. He and the bicycle pitched

### Here it is—the big new package that thousands have asked us for

N answer to women the country over who are using Rinso we have brought out this big new package. At every step of the family wash Rinso does the work.

Millions of women who soak their clothes have found that just soaking in Rinso loosens ail the dirt. On the places where the dirt is actually ground-in they rub a little dry Rinso, and even this dirt rinses When they boil their white cottons they pour enough Rinso solution in the boiler to give them the suds they like.

Washing machine owners use Rinso because with it they don't have to rub even the places that used to need special attention.

Rinso takes the place of bar soap. Use it at every step of the wash. Ask your grocer today for the big new package. Lever Bros. Co., Cambridge, Mass.
